

156TH STREET PROJECT

PROJECT INFORMATION
MARCH 2021

CONSTRUCTION UPDATE

With the end of winter approaching, K2 Construction is planning to resume work on the 156th Street project on **Monday, March 8, 2021**. 156th Street north of Bennington Road will close sometime between March 9 and March 12. Here's what to expect:

- The 156th Street and Bennington Road intersection will remain open during this work.
- The four-way stop control will remain in place until the traffic signals are installed. Installation of the traffic signals will be completed this spring, and lane closures could be required to complete the work.
- Work will begin on the pavement replacement between Bennington Road and North 2nd Street. The intersection and access to Bennington Elementary School will remain open during the rest of the school year. The Bennington Road and North 2nd Street intersection removal and replacement will occur in the summer.
- Project construction will skip the Bennington Road and North 2nd Street intersection as needed to complete the improvements on 156th Street north to CW Haden Drive. 156th Street work north of North 2nd Street will be phased to allow local access to residences. No through traffic will be allowed during this work.

For any questions or concerns, please contact the project contacts or visit the project's Facebook page listed below.

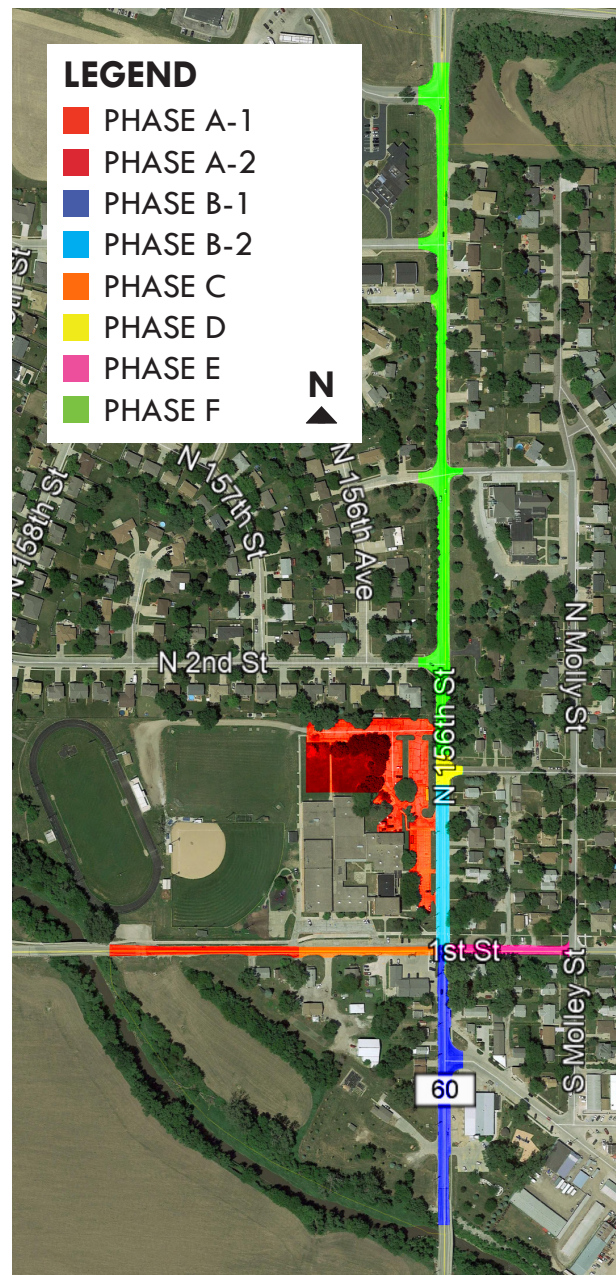

PROJECT CONTACTS

Marvin Lech, NDOT District 2, Construction Engineer
402-595-2534
marvin.lech@nebraska.gov
