2. If the vote on the nominee at such meeting fails to carry by a majority vote, the mayor shall continue at such meeting to submit the names of qualified electors of the City in nomination and the Council shall continue to vote until the vacancy is filled. (Ref. Neb. Rev. Stat. §17-108.02, 17-612)

SECTION 1-111: COMPENSATION; CONFLICT OF INTEREST

1. For purposes of this section, "officer" shall mean any member of any board or commission of the City or any appointed official if such official serves on a board or commission which spends and administers its own funds and is dealing with a contract made by such board or commission; or any elected city official.

2. Unless specified otherwise, volunteer firefighters and ambulance drivers shall not be considered officers for purposes of this section, with respect to their duties as firefighters and ambulance drivers.

3. No officer of the City shall be permitted to benefit from any contract to which the City is a party. The existence of such an interest in any contract renders the contract voidable by decree of a court of competent jurisdiction as to any

person who entered into the contract or took assignment thereof with actual knowledge of the prohibited conflict. An action to have a contract declared void under this section may be brought by the City or by any resident thereof and must be brought within one year after the contract is signed or assigned. Any such decree may provide for the reimbursement of any person for the reasonable value of all money, goods, material, labor or services furnished under the contract, to the extent that the City has benefited thereby. The prohibition in this section shall apply only when the officer or his or her parent, spouse, or child:

- A. Has a business with which the individual is associated or business association which shall mean a business (i) in which the individual is a partner, director or officer; or (ii) in which the individual or a member of the individual's immediate family is a stockholder of a closed corporation stock worth \$1,000.00 or more at fair market value or which represents more than 5% equity interest, or is a stockholder of publicly traded stock worth \$10,000.00 or more at fair market value or which represents more than 10% equity interest; or
- B. Will receive a direct pecuniary fee or commission as a result of the contract; provided, however, if such officer is (i) an employee of the business involved in the contract and (ii) has no ownership interest or will not receive pecuniary fee, such officer shall not be deemed to have an interest within the meaning of this section.

4. The provisions of this section shall not apply if the interested officer:

- A. Makes a declaration on the record to the governmental body responsible for approving the contract regarding the nature and extent of his/her interest, prior to official consideration of the contract;
- B. Does not vote on the matter of granting the contract, except that if the number of members of the Council declaring an interest in the contract would prevent the Council, with all members present, from securing a quorum on the issue, then all members may vote on the matter; and
- C. Does not act for the City as to inspection or performance under the contract in which he/she has an interest.

5. The receiving of deposits, cashing of checks, and buying and selling of warrants and bonds of indebtedness of any city by a financial institution shall not be considered a contract under the provisions of this section. The ownership of less than 5% of the outstanding shares of a corporation shall not constitute an interest within the meaning of this section. Notwithstanding the provisions of subsections 4(A) through 4(C) above, if an officer's parent, spouse or child is an employee of the City, the officer may vote on all issues of the contract which are

generally applicable to all employees or all employees within a classification and do not single out his/her parent, spouse or child for special action. If an officer has the power to employ personnel and he/she hires his/her parent, spouse or child, such officer shall disclose the hiring pursuant to subsections 6(A) through 6(E) below, except that if the parent, spouse or child is already employed in the position at the time the officer takes office and such position does not change, no disclosure need be made. Notwithstanding any other provision of this section, any contract entered into with an interested officer shall be subject to applicable competitive bidding requirements and shall be fair and reasonable to the City.

6. The city clerk shall maintain, separately from other records, a ledger containing the information listed in subsections A through E of this section about every contract entered into by the City in which an officer has an interest as specified above for which disclosure is made as provided in subsections 4(A) through 4(C) above. Such information shall be kept in the ledger for five years from the date of the officer's last day in office and shall include:

- A. Names of the contracting parties;
- B. Nature of the interest of the officer in question;
- C. Date that the contract was approved by the City involved;
- D. Amount of the contract; and
- E. Basic terms of the contract.

7. The information supplied relative to the contract shall be provided to the clerk not later than ten days after the contract has been signed by both parties. The ledger kept by the clerk shall be available for public inspection during the normal working hours of the office in which it is kept.

8. An open account established for the benefit of any city or entity thereof, with a business in which an officer has an interest, shall be deemed a contract subject to the provisions of this section. The statement required to be filed pursuant to this section shall be filed within ten days after such account is opened. Thereafter, the clerk shall maintain a running account of all amounts purchased on the open account. Purchases made from petty cash or a petty cash fund shall not be subject to the provisions of this section.

9. The City may enact ordinances exempting from the provisions of this section contracts involving \$100.00 or less in which an officer of such city may have an interest.

10. No officer, including volunteer firefighters and ambulance drivers, shall receive any pay or perquisites from the City other than his/her salary. The City Council shall not pay or appropriate any money or other valuable thing to pay a person who is not an officer for the performance of any act, service or duty which shall come within the proper scope of the duties of any officer of the City.

(Ref. Neb. Rev. Stat. §17-611, 18-305 through 18-312, 49-14,103.01 through 49-14,103.03, 70-624.04)

SECTION 1-112: ELECTED OFFICIALS; QUALIFICATIONS; RESTRICTIONS ON OTHER EMPLOYMENT OR ELECTIVE OFFICE

1. Elected officials shall be residents and registered voters of the City. The mayor and members of the Council shall hold no other elective or appointive office or employment with the City.

2. For purposes of this section, (A) "elective office" means any office which has candidates nominated or elected at the time of a statewide primary election; any office which has candidates nominated at the time of a statewide primary election and elected at the time of a statewide general election; any office which has candidates elected at the time of a statewide general election; any office which has candidates nominated or elected at a city election; and any office created by an act of the Legislature which has candidates elected at an election and includes an office which is filled at an election held in conjunction with the annual meeting of a public body created by an act of the Legislature; and (B) "high elective office" means a member of the Legislature, an elective office described in Article IV, Sections 1 or 20, or Article VII, Sections 3 or 10, of the Constitution of Nebraska, or a county, city or school district elective office.

3. No candidate for member of the Legislature or an elective office described in Article IV, Sections 1 or 20, or Article VII, Sections 3 or 10 of the Constitution of Nebraska shall be eligible to file as a candidate, to petition on the ballot as a candidate, to accept nomination by a political party or by party convention, caucus or committee to fill a vacancy or to be declared a write-in candidate for more than one elective office to be filled at the same election, except for the position of delegate to a county, state or national party convention. No candidate for any other high elective office shall be eligible to file as a candidate, to petition on the ballot as a candidate, to accept nomination by a political party or by party convention, caucus or committee to fill a vacancy or to be declared write-in candidate for more than one elective office to be filled at the same election.

4. Except as provided in subsection 5 or 7 of this section, no person shall be precluded from being elected or appointed to or holding an elected office for the reason that he/she has been elected or appointed to or holds another elected office.

5. No person serving as a member of the Legislature or in an elective office described in Article IV, Sections 1 or 20 or Article VII, Sections 3 or 10 of the Constitution of Nebraska shall simultaneously serve in another elective office which is filled at an election held in conjunction with the annual meeting of a public body.

6. Whenever an incumbent serving as a member of the Legislature or in an elective office described in Article IV, Sections 1 or 20 or Article VII, Sections

3 or 10 of the Constitution of Nebraska assumes another elective office, except an elective office filled at an election held in conjunction with the annual meeting of a public body, the office first held by the incumbent shall be deemed vacant.

7. No person serving in a high elective office shall simultaneously serve in any other high elective office.

8. Notwithstanding subsections 5 through 7 of this section, any person holding more than one high elective office on September 13, 1997, shall be entitled to continue to serve the remainder of all terms for which he/she was elected or appointed.

(Ref. Neb. Rev. Stat. §17-108.02, 32-109, 32-603, 32-604)

1. The City Council may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to hold a closed session. Closed sessions may be held for, but shall not be limited to, such reasons as:

- B. Discussion regarding deployment of security personnel or devices;
- C. Investigative proceedings regarding allegations of criminal misconduct; or
- D. Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting.

3. Such challenge shall be overruled only by a majority vote of the members of the City Council. Such challenge and its disposition shall be recorded in the minutes.

4. Nothing in this section shall be construed to require that any meeting be closed to the public. The City Council nor any number shall fail to invite a portion of its members to a meeting and the Council shall not designate itself a subcommittee of the whole body for the purpose of circumventing the Nebraska Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax or other electronic communication shall be used for the purpose of circumventing the requirements of the Nebraska Open Meetings Act.

5. The Nebraska Open Meetings Act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

It shall not be a violation of this section for the mayor to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting or recording its meetings. The City Council may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings. The City shall not require members of the public to identify themselves as a condition for admission to the meeting. The Council may require any member of the public desiring to address the body to identify himself/herself.

3. The Council shall not, for the purpose of circumventing the provisions of this article, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience. The City shall not be deemed in violation of this section if it holds its meetings in its traditional meeting place which is located in this state. The City shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting. The City shall make available at the meeting, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting.

Ref. Neb. Rev. Stat. §13-506

SECTION 1-506: ANNUAL AUDIT

The City Council shall cause an audit of the city's accounts to be made by a recognized independent and qualified accountant as expeditiously as possible following the close of the fiscal year for such city and to cover all financial transactions and affairs of the City for such preceding fiscal year. Such audit shall be made on a cash or accrual method at the discretion of the City. Such audit shall be completed and the annual audit report made by such accountant shall be submitted within six months of the close of the fiscal year in any event, unless an extension of time shall be granted by a written resolution of the City Council.

No order or warrant shall be drawn in excess of 85% of the current levy for the purpose for which it is drawn unless there shall be sufficient money in the city treasury for the appropriate fund against which it is to be drawn; provided that in the event there exist obligated funds from the federal and/or state government for the general purpose of such warrant, then such warrant may be drawn in excess of 85%, but not more than 100% of the current levy for the purpose for which said warrant is drawn.

Ref. Neb. Rev. Stat. §17-714, 17-715

SECTION 1-509: TRANSFER OF FUNDS

Whenever during the current fiscal year it becomes apparent due to unforeseen emergencies that there is temporarily insufficient money in a particular fund to meet the requirements of the adopted budget of expenditures for that fund, the City Council may by a majority vote transfer money from other funds to such fund. No expenditure during any fiscal year shall be made in excess of the amounts indicated in the adopted budget statement except as authorized herein. If, as the result of unforeseen circumstances, the revenue of the current fiscal year shall be insufficient, the City Council may propose to supplement the previously adopted budget statement and shall conduct a public hearing at which time any taxpayer may appear or file a written statement protesting the application for additional money. Ref. Neb. Rev. Stat. §17-710

SECTION 1-511: SINKING FUNDS

The City Council, subject to the limitations set forth herein, shall have the power to levy a tax not to exceed that prescribed by state law in addition to the amount of tax which may be annually levied for the purposes of the adopted budget statement of the City, for the purpose of establishing a sinking fund for the construction, purchase, improvement, extension or repair of the approved uses as authorized by state law. To initiate the said sinking fund, the City Council shall declare its purpose by resolution to submit to the qualified electors of the City the proposition to provide the improvement at the next general city election. The resolution shall set forth the improvement, the estimated cost, the amount of the annual levy, the number of years required to provide the required revenue, the name of the sinking fund proposed, and the proposition as it will appear on the ballot. Notice of the said proposition shall be published in its entirety three times on successive weeks before the day of the election in a legal newspaper of general circulation in the City.

The sinking fund may be established after the election if a majority or more of the legal votes were in favor of the establishment of the fund. The City Council may then proceed to establish the said fund in conformity with the provisions of the proposition and applicable state law. The funds received by the city treasurer shall, as they accumulate, be immediately invested with the written approval of the City Council in the manner provided by state law. No sinking fund so established shall be used for any purpose or purposes contrary to the purpose as it appeared on the ballot unless the City Council is authorized to do so by 60% of the qualified electors of the City voting at a general election favoring such a change in the use of the sinking fund.

(Ref. Neb. Rev. Stat. §19-1301 through 19-1304, 77-2337, 77-2339)

SECTION 1-512: DEPOSIT OF FUNDS

The City Council, at its first meeting in each fiscal year, shall designate one or more banks of approved and responsible standing in which the city treasurer shall keep at all times all money held by him/her; provided, if more than one bank in the City meets the requirements for approved banks as herein defined, the said funds shall be deposited in each of them and the city treasurer shall not give a preference to any one or more of them in the money he/she shall deposit. A bond shall be required from all banks so selected in a penal sum which equals the maximum amount on deposit at any time less the amount insured by the Federal Deposit Insurance Corporation or a pledge of sufficient assets of the bank to secure the payment of all such deposits.

(Ref. Neb. Rev. Stat. §17-607, 77-2362 through 77-2364)

SECTION 1-513: INVESTMENT OF FUNDS

The City Council may, by resolution, direct and authorize the city treasurer to

invest surplus funds in the outstanding bonds or registered warrants of the City, and other approved bonds and obligations as provided by law. The interest on such bonds or warrants shall be credited to the fund out of which the said bonds or warrants were purchased.

(Ref. Neb. Rev. Stat. §17-608, 17-609, 72-1259, 77-2341)

SECTION 1-514: EXPENDITURES; APPROVAL BY CITY COUNCIL

No city official shall have the power to appropriate, issue or draw any order or warrant on the City treasury for money, unless the same has been appropriated or ordered by ordinance, or approved by the City Council, or the claim for the payment of such order or warrant has been allowed by the City Council according to Nebraska law, and funds for the claim or out of which said claim is payable had been included in the adopted annual budget or annual appropriation bill according to law.

Proposed expenditures of over \$10,000.00 for City improvement, maintenance and construction projects which are included in the City's annual budget or annual appropriation bill, and proposed expenditures of over \$1,000.00 for purchases of capital items such as equipment, machinery, vehicles, and similar such capital items which are included in the City's annual budget or annual appropriation bill, shall be approved by the City Council before the project is initiated and before the purchase of any such capital items may be made.

In the City's normal course of operations many time sensitive bills such as payroll, withholding taxes, scheduled payments, and utility bills are presented which require immediate payment before such expenditures can be approved by the City Council at its one regular monthly meeting via inclusion in the bills presentation. Such expenditures are for budgeted items and are evaluated by the City Treasurer before making payment and are promptly included in the following bills presentation to the City Council. The City could not meet its financial obligations in a timely and efficient manner without the use of this procedure, and the City Treasurer is authorized to continue to use this procedure and nothing in this Section shall negate the use of such procedure or the City Treasurer's authority to use the same.

SECTION 1-515: BOND ISSUES

The City Council may, after meeting all the requirements of state law, issue bonds, fund bonds, and retire bonds for such purposes as may be permitted by state law. The City Council shall have the authority to levy special assessments for the payment of interest and principal on such bonds, and may spread the payments up to the maximum number of years permitted by state law.

(Ref. Neb. Rev. Stat. §10-201 through 10-411, 10-606 through 10-612, 12-1001, 17-529.08, 17-534, 17-905, 17-908, 17-911, 17-939, 17-958, 17-968, 18-1801 through 18-1805, 23-3513, 39-836)

SECTION 1-516: SALES TAX

For the purpose of raising revenue, there is hereby adopted a sales and use tax, pursuant to the provisions of Neb. Rev. Stat. §71-2701 to 77-27,135, known as the Nebraska Revenue Act of 1967, and Neb. Rev. Stat. §77-27,142 to 77-27,148, known as the Local Option Revenue Act of 1969, as amended from time to time, in an amount of 1% upon the same transactions within the corporate limits of the City on which the State of Nebraska is authorized to impose a tax pursuant to the provisions of said acts, as amended from time to time.

The administration of the sales and use tax imposed by this section, the making of returns for the ascertainment, assessment, the provisions for tax claims, remedies, the laws governing consummation of sales, penalties, and collection and for the disposition and distribution of the taxes so imposed and collected shall be as provided in Neb. Rev. Stat. §71-2701 to 77-27,135 as amended and Neb. Rev. Stat. §77-27,142 to 77-27,148 as amended, to be used for such purposes as may be determined by the mayor and City Council.

The members of the Library Board shall serve a four-year term of office, and may be reappointed at the end of any such term. In cases of vacancies by resignation, removal, or otherwise, the mayor and City Council shall fill such vacancy for the unexpired term. A majority of the Library Board's members shall constitute a quorum for the transaction of business. The Library Board shall meet at such times as the City Council may designate, or as otherwise provided in the procedures and rules which the Library Board may adopt. Special meetings may be held upon the call of the president or any three members of the Library Board.

The Library Board shall have the authority to appoint a librarian and all other library employees, subject to the approval of the City Council. It shall be the duty of the Library Board to have general charge of the library and to establish appropriate by-laws, rules, and regulations for the Board's guidance and for the management, operation, and governance of the library as it may deem expedient, but not inconsistent with §§51-201 to 51-219 of the Nebraska Revised Statutes. The Library Board shall have supervisory authority over all employees of the library including the librarian. All actions of the Library Board shall be subject to the review and supervision of the City Council. SECTION 1-602: OPERATION AND FUNDING

The City owns and manages the library through the Library Board. The City Council, for the purpose of defraying the cost of the management, purchases, improvements and maintenance of the library, may each year levy a tax not exceeding the maximum limit prescribed by state law on the actual valuation of all real estate and personal property within the City that is subject to taxation. The revenue from the said tax shall be known as the Library Fund and shall include all gifts, grants, deeds of conveyance, bequests or other valuable income-producing personal property and real estate from any source for the purpose of endowing the library. Such fund shall at all times be in the custody of the city treasurer.

SECTION 1-603: BOOKS

The Library Board may authorize the sale, exchange or disposal of any surplus, damaged, defective, obsolete or duplicate books in the library. Records shall be kept of any such surplus, damaged, defective, obsolete or duplicate books so disposed of.

SECTION 1-604: RULES AND REGULATIONS

The Library Board shall establish rules and regulations for the governing of the library for the preservation and efficient management thereof. They shall fix and impose general rules, penalties and forfeitures for injury to the library grounds, rooms, books or other property, or for failure to return a book. All fees, penalties and forfeitures may be collected in civil action in the event of failure, neglect or refusal to pay the said assessments.

SECTION 1-605: COST OF USE

Use of the library shall be free for the residents of the City. The librarian may exclude from the library and reading rooms any person who shall willfully violate or refuse to comply with the rules and regulations established for the government thereof.

SECTION 1-606: DAMAGED AND LOST BOOKS

Any person who injures or fails to return any book taken from the library shall forfeit and pay to the library not less than the value of the book in addition to any replacement cost and penalty which the Library Board may assess.

SECTION 1-607: BOOK REMOVAL

It shall be unlawful for any person not authorized by the Library Board to take a book from the library without the consent of the librarian or an authorized em-

ployee of the library. Any person removing a book from the library without properly checking it out shall be deemed to be guilty of a misdemeanor.

SECTION 1-608: MONEY COLLECTED

Any money collected by the library shall be turned over monthly by the librarian to the city treasurer along with a report of the sources of the revenue.

SECTION 1-702: DISCHARGE OR DISCIPLINE OF POLICE MEMBERS

Any police officer or the city police chief may be disciplined by the mayor or may be suspended from duty by the mayor in case of gross misconduct, neglect of duty or disobedience of orders or may be recommended for discharge by the mayor. Such a recommendation for discharge must be approved by the City Council which, if an appeal is not filed in accordance with Section 1-703, will be acted upon by the Council at its next regularly scheduled meeting. If an appeal is filed in accordance with Section 1-703, then such a recommendation for discharge shall be considered pursuant to the provisions of Section 1-703. (Am. by Ord. No. 381, 3/9/09)

Such appeal shall be made within 15 days of his/her disciplinary action, suspension, or recommendation for discharge by filing a written application for a hearing before the Council. Such written application shall be made to the city clerk, and if such application is made he/she shall immediately notify the mayor of the receipt of such application. Upon notice of the filing of such application, the mayor shall call a special meeting of the City Council within 20 days of receipt of the written application to consider such application.

2. Both the police officer or chief and the individuals causing such disciplinary action, suspension, or recommended discharge shall have the right at the hearing to be heard and to present evidence to the City Council for its consideration. Not later than 30 days following the adjournment of the meeting at which the hearing was held, the Council shall vote to uphold, reverse or modify the disciplinary action, suspension, or recommendation for discharge. The failure of the City Council to act within 30 days or the failure of a majority of the council members to vote to reverse or modify the disciplinary action, suspension, or recommendation for discharge shall be construed as a vote to uphold the disciplinary action, suspension, or recommendation for discharge. The decision of the City Council shall be based upon its determination that, under the facts and evidence presented at the hearing, the challenged disciplinary action, suspension, or recommendation

for discharge was necessary for the proper management and the effective operation of the State of Nebraska.

3. Nothing in this section shall be construed to prevent the peremptory suspension from duty of an officer by the mayor pending the hearing authorized by this section, in cases of gross misconduct, neglect of duty, or disobedience of orders.

(Ref. Neb. Rev. Stat. §17-107) (Am. by Ord. No. 381, 3/9/09)

Two of the regular members may be residents of the area over which the City is authorized to exercise extraterritorial zoning and subdivision regulation. When there are a sufficient number of residents in the zoning and subdivision regulation area, one regular member of the commission shall be a resident from such area. For purposes of this section, "a sufficient number of residents" shall mean 200 residents.

The term of each regular member shall be three years. All regular members shall hold office until their successors are appointed. The owner, agent or occupant shall also be responsible for maintenance of sidewalks and driveways which are damaged as a result of roots from vegetation which project under and raise the sidewalk or driveway and constitute a hazard to life and property. The owner, agent or occupant must confer with the Public Works Director before cutting, removing or otherwise altering any roots from trees which cause damage to sidewalks or driveways as cutting, removing or altering of roots may cause structural damage to or weaken the tree to such an extent that the tree would topple upon persons or property.

SECTION 1-905: DANGEROUS TREE PROHIBITED

It shall be unlawful for any property owner, agent or occupant to permit to stand upon the property any dead tree, any dead part of a tree, any stump, and totally diseased or structurally weak tree or any structurally weak part of a tree.

It shall be unlawful and is hereby declared to be a nuisance for any property owner, agent or occupant to permit, allow, or maintain any dead or diseased trees within the abutting right-of-way of streets within the corporate limits of the City. Notice and an order to abate and remove such nuisance and notice of the right to a hearing and the manner in which it may be requested shall be given to the owner, agent or occupant as provided in this article. Removal of such dead or diseased trees by the City if the owner, agent or occupant fails to comply with the order, and the levy and assessment of the costs and expenses of the work, shall be done as provided in this article.

Any person who has been served with an order issued by the Public Works Director or designee may appeal to the City Council within thirty days from the date of the order. If the person served with an order fails to appeal within this thirty day period, then the order shall become final. The person served with an order shall file a notice of appeal with the City Council, alleging in this appeal each ground and reason for the appeal. The appeal must be addressed to the city clerk and must be mailed by certified mail or personally served upon the city clerk. The date of personal service or the date appearing on the certified mail receipt shall be deemed the date of filing of the appeal. The City Council shall then fix a reasonable time for the hearing of the appeal and shall decide the same at such hearing or at the next monthly meeting of the City Council. At the hearing, any person may appear in person or by agent or attorney.

The code enforcement officer may enter upon private property at all reasonable hours for the purpose of inspecting such abandoned vehicle, posting notice thereon and/or removing or impounding such abandoned vehicle. It shall be unlawful for any person to prevent the city code enforcement officer from entering on private property for the purpose of carrying out his/her duties. Neither the owner, lessee nor occupant of the premises from which any abandoned vehicle shall be removed nor the City shall be liable for any loss or damage to such abandoned vehicle which occurs during its removal, while in the possession of the City, or as a result of any subsequent disposition.

SECTION 3-203: NOTICE

Except for vehicles automatically becoming the property of the City as set forth in Section 3-205 hereunder, the city code enforcement officer shall make an inquiry concerning the last registered owner of such abandoned vehicle as follows:

1. Abandoned vehicles with numbered plates affixed---to the jurisdiction which issued said plates; or
2. Abandoned vehicles with no numbered plates affixed---to the Department of Motor Vehicles.

The city code enforcement officer shall notify the last registered owner, if any, that the vehicle in question has been recovered as an abandoned vehicle and that, if unclaimed, it will be sold at public auction after five days from the date that such notice was mailed. If the agency described in Subsections 1 or 2 of this section also notifies the city code enforcement officer that a lien or mortgage exists, such notice shall also be sent to the lien holder or mortgagee. Any person claiming such vehicle shall be required to pay the cost of its removal and storage. In the event the owner does not appear within the time prescribed herein, or in the event that the owner cannot be determined, such abandoned vehicle shall be disposed of as hereinafter provided.

SECTION 3-204: DISPOSITION

The city code enforcement officer shall sell said abandoned vehicle at public auction to the highest bidder within 60 days from the date that title to an abandoned vehicle is vested in the city as provided for in Section 3-205 hereafter. Such sale and the time and place thereof shall be advertised for one week in a newspaper of general circulation in the City. Any proceeds from the sale of an abandoned

vehicle, less any expenses incurred by the City, shall be held by the City without interest for the benefit of the owner of such abandoned vehicle for a period of two years. If not claimed within such two-year period, such proceeds shall be paid into the general fund of the City.

SECTION 3-205: TRANSFER OF TITLE

If an abandoned vehicle at the time of abandonment has no numbered plates of the current year affixed and is of a wholesale value of \$250.00 or less, taking into consideration the vehicle's condition as determined by the city code enforcement officer, title shall immediately vest in the City and the city enforcement officer is not required to follow Section 3-203 herein. With respect to those abandoned vehicles governed by Section 3-203 herein, title to such vehicles, if unclaimed, shall vest in the City five days from the date the notice referred to therein is mailed or, if the last registered owner cannot be determined, when notice of that fact is received by the city code enforcement officer. Upon the sale of an abandoned vehicle at auction, the City shall furnish the purchaser with the requisite affidavit to provide to the county clerk where the vehicle was last registered that said vehicle was abandoned and became the property of the City prior to the sale.

SECTION 3-206: PENAL PROVISIONS

SECTION 3-304: OWNERSHIP

If any vehicle is found upon any street, highway, alley, or other road or upon any property in violation of any of the provisions of this article regulating the parking of vehicles, the owner or person in whose name such vehicle is registered shall be held prima facie responsible for such violation; or, if the vehicle is not registered, the person in possession of the real property on which the vehicle is located or which abuts the location of the vehicle shall be held to be prima facie responsible for such violation.

SECTION 3-305: PARKING PROHIBITED

No person shall park a vehicle upon the front, side, or rear yards within a residential area unless such parking has been previously approved by the City Council. Any vehicle parked in violation of this section is hereby declared to be a public nuisance and may be removed as provided in Sections 3-309 through 3-315.

SECTION 3-306: PARKING PROHIBITED; EXCEPTIONS

No person shall park a vehicle on any front, side or rear yard on residential property or on any other property wherein such use is not permitted under Ordinance 283, or upon any driveway, public street or off-street parking except where permitted under Ordinance 283, for the purpose of repairing or dismantling such vehicle. Any vehicle parked in violation of this section is hereby declared to be a public nuisance and may be removed as provided in Sections 3-309 through 3-

315. This section also includes any vehicle which is registered or licensed but not operable at the time so parked, i.e. not capable of moving or being moved without intervention of external sources or forces. This section is not meant to preclude a property owner or owner of a vehicle from parking such vehicle within a closed garage area for the purpose of storage during the time such is inoperable or for the purpose of repairing or dismantling such vehicle.

SECTION 3-307: UNLICENSED VEHICLES; NUISANCE

All vehicles parked upon the public streets or on any property wherein such use is not permitted without current annual license plates and registration are hereby declared to be a public nuisance as provided in Sections 3-309 through 3-314. In addition, no person may park a registered vehicle continuously in one place in the same block on any street for a period in excess of 48 hours. Any vehicle parked in violation of this section is hereby declared to be a public nuisance and may be removed as provided in Sections 3-309 through 3-314.

SECTION 3-310: NOTICE AND ABATEMENT

The members of the City Police Division shall affix a Notice of Nuisance and Order of Abatement on any vehicle found in violation of any applicable provision of this article. Such notice shall order the abatement of such nuisance within the time stated therein.

The person in possession or the owner of the vehicle coming under the provisions of this article shall abate the nuisance within the time provided in the Notice of Nuisance and Order of Abatement. If the person in possession or owner of such vehicle is unable for any reason to abate such nuisance within the time provided or desires to challenge the Notice and Order to abate, he/she shall request in writing to the city clerk that he/she desires to be heard at the next regularly scheduled meeting of the City Council to give reasons why the nuisance should not be removed. This request must be given to the city clerk within five days after the Notice and Order to abate is affixed to the nuisance. Such request shall then

be heard by the City Council at the next regularly scheduled City Council meeting. If such request for hearing is made to the city clerk, the clerk shall inform the chief of police to delay abatement until after the hearing at the next regularly scheduled City Council meeting. If no request for hearing is made, the chief of police shall abate said nuisance after the time for abatement has run and if the nuisance persists by instructing a towing company to tow the nuisance.

If a person in possession or owner of a vehicle is aggrieved by the decision of the City Council, then such person shall appeal to the District Court of Douglas County. During the pendency of such appeal, the chief of police shall not abate said nuisance.

Each separate period of time that a vehicle is found to be in violation of any applicable provision of this article shall constitute a separate and distinct nuisance, and a separate and distinct notice shall be affixed to such vehicle for such period of time.

SECTION 3-311: VIOLATION; REMOVAL OF VEHICLE

Whenever any vehicle violates any provisions of this article, the same shall be removed by a police officer by instructing a towing company to tow the nuisance to a garage or lot designated by the City Council for such purpose.

SECTION 3-312: TOWING FEES AND COSTS

A vehicle towed to a garage or lot under the provisions of the previous section of this article shall not be released from the garage or lot except on payment of the cost of towing, daily storage and any other administrative costs incurred by the City. Payment shall be made to the person in charge of such garage or lot by the owner or person in possession of the vehicle. A receipt for such fees shall be issued to the owner or person in possession of such vehicle.

Such person shall deliver a report of each week's transactions to the chief of police by Friday of each week.

SECTION 3-314: TOWING; FEES; PROTEST

When the owner or person in possession of any vehicle towed to a garage or lot protests to the person in charge of the garage or lot against the payment of fees

as provided for by this article, the person in charge shall, upon payment of the fees, issue a receipt therefor marked "Paid Under Protest." Thereupon it shall be the duty of the owner or operator of the garage or lot to safely keep such fees and report such fact to the mayor, who shall forthwith cause a petition to be filed against the owner or person in possession of such vehicle in the District Court of Douglas County charging such person with causing or contributing to the creation of, or maintenance of, a public nuisance. If, upon trial thereof, such person shall be found not guilty of this offense, it shall be the duty of the operator or owner of the garage or lot to refund to said person the fees so paid by him/her under protest. The only exception to these requirements is that vehicles may be stopped in prohibited areas for no longer than three minutes for actual loading or unloading of passengers, or twenty minutes for actual loading or unloading of property, provided the driver remains in the vehicle. Such building inspector shall have the power to issue permits for construction, repairs and alterations within the City and shall have the power and authority to order all work stopped on any construction, repair or alteration which violates any provision prescribed by such rules, regulations and codes as set forth herein.

SECTION 4-102: BUILDING INSPECTOR; RIGHT OF ENTRY

It shall be unlawful for any person to refuse to allow the building inspector entry into any building or structure where the work of construction, alteration, repair or relocation is taking place, for the purpose of making official inspections at any reasonable hour.

SECTION 4-103: BUILDING PERMITS REQUIRED; APPLICATION

It shall be unlawful to construct or alter any building or structure in the City or the area one mile beyond the corporate limits thereof, without having first procured a written permit from the building inspector. No structural construction shall commence before the building inspector issues a building permit when a permit is required. The applicant for the building permit shall obtain an application from the building inspector or the Douglas County Building Inspection Department and present the completed application and the building plans to the city building inspector. The building inspector will issue the building permit only when satisfied that the building plans comply with the applicable building codes. Except as required by the building code, an applicant is not required to seek approval from either Planning and Zoning or the City Council.

(Ref. Neb. Stat. §18-1743)

SECTION 4-104: BUILDING PERMIT; SURVEY REQUIRED

The City shall require a survey prior to the issuance of any building permit, except that accessory buildings of less than 120 square feet shall be exempt from this survey requirement but shall meet all other zoning regulations including all

setback regulations. All required surveys shall not be over five years old and shall be performed by a licensed surveyor.

SECTION 4-105: BUILDING PERMIT; DUPLICATE TO COUNTY ASSESSOR

Whenever a building permit is issued for the erection, alteration or repair of any building within the City's jurisdiction and the improvement is \$1,000.00 or more, a duplicate of such permit shall be issued to the county assessor.

(Neb. Rev. Stat. §18-1743)

SECTION 4-106: BUILDING PERMIT; INSPECTION FEES; COLLECTION; SCHEDULE

SECTION 4-107: BUILDING PERMIT; VARIANCE NOT PERMITTED

It shall be unlawful for any person to whom a permit to construct or repair a building within the corporate limits and zoning jurisdiction of the City is issued, as provided in this article, to vary in any manner from the plans and specifications submitted to the City Council in the construction or repair authorized, so that such construction or repair shall not conform to the ordinances of the City.

SECTION 4-108: BUILDING PERMIT; TIME OF INSPECTION

The building inspector, upon notification from the permit holder or his/her agent, shall make the following inspections of the building or structure and shall either approve that portion of the construction as completed or shall notify the permit holder or his/her agent that the work fails to comply with the requirements of the municipal code:

1. Foundation inspection shall be made after trenches are excavated and the necessary forms erected;
2. Frame inspection shall be made after the roof, framing, fire-blocking and backing is in place and all pipes, chimneys and vents are complete; and

It shall be unlawful for any person to do work or cause work to be done beyond the point indicated in each successive inspection without the written approval of the building inspector.

Before such work can be resumed, a new permit shall be obtained in the same manner and form as an original permit.

SECTION 4-110: BOND REQUIREMENT

It shall be the duty of the owner, lessee or tenant intending the destruction of any building or improvement to post a \$10,000.00 cash bond with the city clerk prior to such destruction. This bond will be refunded upon payment of all damages to city property occasioned by such destruction and any cleanup work resulting from such destruction. In the event that a nuisance remains on the building permit site for more than six months after the issuance of the building permit, then the bond shall be forfeited and shall be applied to offset the cleanup by the City.

CHAPTER V PUBLIC WAYS AND PROPERTY

ARTICLE I - PUBLIC PROPERTY REGULATIONS

SECTION 5-101: MAINTENANCE AND CONTROL

The City Council shall have the care, supervision and control of all public highways, bridges, streets, alleys, public squares and commons within the City and shall cause the same to be kept open and in repair and free from nuisances. (Ref. Neb. Rev. Stat. §17-567)

SECTION 5-102: OBSTRUCTIONS

Trees and shrubs growing upon or near the lot line or upon public ground that interfere with the use or construction of any public improvements shall be deemed an obstruction under this article. Shrubbery located near a traffic intersection or pedestrian crosswalk must be trimmed and not exceed 3½ feet in height as well as be located 20 feet back from said intersection or crosswalk. Said trees, shrubs and their roots may be removed by the street superintendent at the expense of the owner of the property upon which the tree or shrub is located, should the owner fail or neglect to do so after notice. It shall be unlawful for any person, firm or corporation to obstruct or encumber any of the streets, alleys or sidewalks with fences, gates, buildings, structures or otherwise. (Ref. Neb. Rev. Stat. §17-557.01)

SECTION 5-103: PERMITTED OBSTRUCTIONS

Any person engaging in the erection, construction, reconstruction, wrecking or repairing of any building or the construction or repair of a sidewalk along any street shall make written application to occupy the public street space with such building materials and equipment as long as is necessary; provided, no permit shall be granted for the occupancy of the sidewalk space or more than one-third of the roadway of the public space adjacent to the real estate on which said building is to be constructed, erected, reconstructed, wrecked or repaired; and provided further, a suitable passageway for pedestrians shall be maintained within the public space included in the permit, which shall be protected and lighted in the manner required by the City Council.

SECTION 5-104: MUNICIPAL PROPERTY; SALE AND CONVEYANCE

Except as provided in subsection 4 of this section, the power of the City to convey any real and personal property owned by it, including land used for park purposes and public squares, except real property used in the operation of public utilities, shall be exercised by resolution, directing the sale at public auction or by

sealed bid of such real and personal property and the manner and terms thereof, except that such real and personal property shall not be sold at public auction or by sealed bid when:

1. Such property is being sold in compliance with the requirements of federal or state grants or programs;
2. Such property is being conveyed to another public agency; or
3. Such property consists of streets and alleys.

The City Council may establish a minimum price for such real and personal property at which bidding shall begin or shall serve as a minimum for a sealed bid.

After the passage of the resolution directing the sale, notice of all proposed sales of real and personal property described in subsection 1 of this section and the terms thereof shall be published once each week for three consecutive weeks in a legal newspaper published in or of general circulation in the City; provided, if a remonstrance against such sale, signed by registered voters thereof equal in number to 30% of the registered voters of the City voting at the last regular municipal election held therein, be filed with the City Council within 30 days after the third publication of the notice, such property shall not then, nor within one year thereafter, be sold. If the date for filing the remonstrance falls upon a Saturday, Sunday, or legal holiday, the signatures shall be collected within the next 30-day period, but the filing shall be considered timely if filed or postmarked on or before the next business day. Real estate now owned or hereafter owned by the City may be conveyed without consideration to the State of Nebraska for state armory sites or, if acquired for state armory sites, such property shall be conveyed strictly in accordance with the conditions of Neb. Rev. Stat. §18-1001 to 18-1006.

Following (1) passage of the resolution directing a sale, (2) publishing of the notice of the proposed sale, and (3) passing of the 30-day right of remonstrance period, the property shall then be sold. Such sale shall be confirmed by passage of an ordinance stating the name of the purchaser and terms of the sale. The city clerk shall, upon passage of such ordinance, certify the name of the purchaser to the county register of deeds in which the county is located.

This section shall not apply to the sale of real and personal property if the authorizing resolution directs the sale of an item or items of real and personal property having a total fair market value of less than \$5,000.00. Following passage of the resolution directing the sale of the property, notice of the sale shall be posted in three prominent places within the City for a period of not less than seven days prior to the sale of the property. Confirmation of the sale by passage of an ordinance may be required.

(Ref. Neb. Rev. Stat. §17-503, 17-503.01)

SECTION 5-105: ACQUISITION OF PROPERTY; CONSTRUCTION; ELECTIONS, WHEN REQUIRED

Except as provided below, before any such purchase can be made or building erected, the question shall be submitted to the electors of the City at a general municipal election or at an election duly called for that purpose, or as set forth in Neb. Rev. Stat. §17-954, and be adopted by a majority of the electors voting on such question.

If the funds to be used to finance the purchase or construction of a building under this section are available other than through a bond issue, then either:

1. Notice of the proposed purchase or construction shall be published in a newspaper of general circulation in the City and no election shall be required to approve the purchase or construction unless within 30 days after the publication of the notice a remonstrance against the purchase or construction is signed by registered voters of the City equal in number to 15% of the registered voters of the City voting at the last regular municipal election held therein and is filed with the City Council. If the date for filing the remonstrance falls upon a Saturday, Sunday or legal holiday, the signatures shall be collected within the 30-day period but the filing shall be considered timely if filed or postmarked on or before the next business day. If a remonstrance with the necessary number of qualified signatures is timely filed, the question shall be submitted to the voters of the City at a general municipal election or a special election duly called for that purpose. If the purchase or construction is not approved, the property involved shall not then, nor within one year following the election, be purchased or constructed; or

2. The City Council may proceed without providing the notice and right of remonstrance required in subsection 1 of this section if (1) the property can be purchased below the fair market value as determined by an appraisal, (2) there is a willing seller and (3) the purchase price is less than \$25,000.00. The purchase shall be approved by the City Council after notice and public hearing as provided in Neb. Rev. Stat. §18-1755.

(Ref. Neb. Rev. Stat. §17-953 and 17-953.01)

Except as provided in Neb. Rev. Stat. §19-2428 to 19-2431, the City Council shall have the power to assess, to the extent of such benefits, the costs of such improvements upon the properties found especially benefited thereby, whether or not such properties were previously assessed for the same general purpose. In creating such special improvement districts, the City Council shall follow procedures applicable to the creation and assessment of the same type of improvement district as otherwise provided by law.

SECTION 5-107: IMPROVEMENT DISTRICT; LAND ADJACENT

Supplemental to any existing law on the subject, a city may include land adjacent to such city when creating an improvement district, such as a sewer, paving, water, water extension, or sanitary sewer extension district. The City Council shall have the power to assess, to the extent of special benefits, the costs of such improvements upon the properties found especially benefited thereby, except as provided in Neb. Rev. Stat. §19-2428 to 19-2431.

SECTION 5-108: ACQUISITION OF REAL PROPERTY

(Ref. Neb. Rev. Stat. §18-1755)

SECTION 5-109: ACQUISITION OF PROPERTY; APPRAISAL

The City shall not purchase, lease-purchase, or acquire for consideration real property having an estimated value of \$100,000.00 or more unless an appraisal of such property has been performed by a certified real estate appraiser.

Such numbers shall contrast with their background and shall be a minimum of four inches (4") high and with a minimum stroke width of one-half inch ($\frac{1}{2}$ "). If the building sits back from the street or road such a distance that the address numbers cannot be readily seen, then the address numbers shall be increased in size or they shall be posted in such a manner that they can be readily seen from the street or road.

3. Anyone violating any of the terms and conditions of this section shall be deemed guilty of a misdemeanor and shall be fined in a sum of not more than \$500.00 for each offense, recoverable with costs. Each day that such violation continues may be considered a separate offense.

SECTION 5-203: EXCAVATION

It shall be unlawful for any person to make an excavation in any street or streets for any purpose whatsoever unless a written permit is issued by the street commissioner authorizing such excavation. Excavation in streets and alleys shall be made in such a manner as to impede travel as little as possible. Warning lights shall be maintained on all unfinished work at night from dark until sunrise, and sufficient barricades shall be in place at all times until the work is completed, to prevent any persons from injury in coming upon or crossing such work. After completion of any job or work, all surplus material must be removed at once from the streets and alleys.

SECTION 5-207: EAVE AND GUTTER SPOUTS

It is hereby declared unlawful for any person to erect or maintain any dwelling house or business building within the limits of the City where the said dwelling or building abuts on any sidewalk or street without providing proper guttering and eave spouts to receive the waste waters that collect on the said sidewalks and streets. All eave spouts erected on any dwelling house or business building shall be constructed to drain into the alleys or shall be buried beneath the sidewalks and drain into the streets wherever it is found to be impossible to drain said eave spouts into the alley.

SECTION 5-208: HEAVY EQUIPMENT

It shall hereafter be unlawful for any person or persons to move or operate heavy equipment across any curb, gutter, bridge, culvert, sidewalk, crosswalk or crossing on any unpaved street without first having protected such curb, gutter, bridge, culvert, sidewalks, crosswalk or crossing with heavy plank sufficient in strength to warrant against the breaking or damaging of such curb, gutter, bridge, culvert, sidewalk, crosswalk or crossing. Hereafter, it shall be unlawful to run, drive, move, operate or convey over or across any paved street a vehicle, machine or implement with sharp discs or sharp wheels that bear upon said pavement; with wheels having cutting edges; with wheels having lugs, protruding parts or bolts thereon that extend beyond a plain tire so as to cut, mark, mar, indent or otherwise injure or damage any pavement, gutter or curb; provided, where heavy vehicles, structures, and machines move along paved or unpaved streets, the City Council is hereby authorized and empowered to choose the route over which the moving of such vehicles, structures or machines will be permitted and allowed.

Provided, school buses and emergency vehicles shall be permitted to use metal or metal-type studs all year; it shall be permissible to use farm machinery with tires having protuberances which will not injure the streets; and it shall be permissible to use tire chains of reasonable proportions upon any vehicle when required for safety because of snow, ice, or other condition tending to cause a vehicle to slide or skid.

In the event of such action, the damages sustained by the affected property owner shall be determined by the City Council. To ascertain such damages, the City Council shall notify, by certified mail, the affected parties of such anticipated action and the parties' right to file claims for damages. Such notice shall set a date for filing claims for such damage and notify the affected parties of a hearing date when such claims filed will be considered by the Council. If any claims are filed, the Council shall hold a special meeting to consider such claims and determine the damages, if any. Any party may appeal the decision of the City Council to the District Court of Douglas County, Nebraska, for further consideration. Such appeal must be filed within 30 days of the Council's determination. In the event that no claims are filed, it will be determined that no damages will result from the action of the City Council and no damages will be paid.

(Ref. Neb. Rev. Stat. §17-558, 17-559, 76-704 through 76-724)

SECTION 5-210: UTILITY LINES, WIRES, ETC.

Poles, wires, gas mains, pipe lines and other appurtenances of public service companies shall be located or erected over, upon or under the streets, alleys and common grounds after a proper application shall have been made to the city clerk in writing and permission in writing shall have been given by the City Council. Public service companies heretofore or hereafter granted right of way for the erection and maintenance of poles, conduits, gas mains, pipe lines and wires for the purpose of transacting their business upon, under or over the streets, alleys and public grounds shall at all times, when requested by the City Council, erect, locate or relocate their poles, wires, gas mains, pipe lines and other appurtenances to such places and in such manner as shall be designated by the City Council. Such poles, wires, gas mains, pipe lines and other appurtenances shall be removed or relocated by said companies at their own expense when requested to do so by the City Council. Whenever it becomes necessary for the City Council to request such relocation for the public safety and convenience, the City Council shall order said relocation by resolution and the city clerk shall notify any company or companies affected. Within 24 hours after receiving notice, said companies shall cause the poles, wires, gas mains, pipe lines or other appurtenances to be removed at their own expense. The City Council shall designate

another location, as close as possible, where said poles, wires, gas mains, pipe lines or other appurtenances may be reset or placed. All poles, wires, gas mains, pipe lines or other appurtenances shall be reset, placed or erected in such manner that they will not interfere with the water system, sewer system, or poles, wires, and mains of any public utility located on the same street or alley, or with travel, buildings constructed or hereafter to be constructed. Whenever possible, all poles, wires, gas mains, pipe lines or appurtenances shall be confined to the alleys of the City. No water pipe, underground electric line or telephone conduit shall be laid in the same trench with sewer pipe in any street, alley or public grounds in the City or nearer than three feet to any sewer pipe. The City Council shall contract therefor and shall have the power to assess, to the extent of special benefits, the costs of such improvements upon the properties found especially benefited thereby.

(Ref. Neb. Rev. Stat. §17-512)

SECTION 5-213: CUTTING CURB; PERMIT REQUIRED

1. Before any permit is issued by the street commissioner, the applicant for such permit shall:

- A. Deposit with the city treasurer a sum set by the City Council for paving, curb or sidewalk to be cut. The deposit shall be retained by the City for the purpose of replacing the paving, curb or sidewalk until the work is completed to the satisfaction of the street commissioner. In the event

of a disagreement of proper closing between the applicant and the street commissioner, the City Council shall be the final authority on all matters under this ordinance.

- B. Execute a bond to the City with a good and sufficient surety or sureties in the amount of \$10,000.
- C. Inform the street commissioner of the place and time such cutting shall be done, and it shall be the duty of the street commissioner to inspect the place of entry into the paving, sidewalk or curb before the same is cut.

2. When cutting into any paving, it shall be the duty of the party to cut the paving under such rules and regulations as may be prescribed by the City Council or the street commissioner. When the applicant is ready to close the opening made, he/she shall inform the street commissioner, who shall supervise and inspect the work done in closing the opening. Unless specifically authorized by the street commissioner, all closing shall be done in concrete. ARTICLE III – SIDEWALKS

SECTION 5-301: DUTY OF PROPERTY OWNERS; LIABILITY

Every owner of any lot, lots or piece of land within the limits of this city shall at all times keep and maintain the sidewalks along and contiguous to said lot, lots or pieces of land, as the case may be, in good and proper repair and in a condition reasonably safe for all travelers thereon. In case the owner or owners of any lot, lots or land abutting on any street or avenue or part thereof shall fail to construct or repair any sidewalk in front of his/her/their lot, lots or land within the time and in the manner as directed and required by this article after having received due notice to do so, the said owner(s) shall be liable for all damages and injury occasioned by reason of the defective or dangerous condition of any sidewalk, and the mayor and City Council shall have power to cause such sidewalks to be constructed or repaired and assess the cost thereof against such property.

(Ref. Neb. Rev. Stat. §17-557.01)

SECTION 5-302: NEW SIDEWALK; NOTICE

The City Council may, by resolution, order the construction of a sidewalk on any lot or piece of ground within the City. Notice of the City Council's intention to construct said sidewalk shall be given by the city clerk by publication of notice one time in a legal newspaper of general circulation in the City. A copy of said notice shall be personally served upon the occupant in possession of such property. When personal service is not possible, said notice shall be sent by first class mail to such premises 20 days prior to the commencement of construction. The notice required in this section shall be prepared by the city attorney in accordance with the provisions of this section. Such service shall include a form of return evidencing personal service or mailing as herein required. Said notice shall notify the owner of the premises of the passage of the resolution ordering him/her to construct or cause to be constructed a sidewalk within 30 days after the date of publication and further that if he/she fails to construct the sidewalk or cause the same to be done within the time allowed, the City will cause the sidewalk to be constructed and the cost thereof shall be levied and assessed as a special tax against the premises; provided, the notice shall contain the official estimate of the cost of said construction and no special assessment in excess of this estimate shall be assessed against the property. In the event the property owner is a non-resident of the county in which the property lies, the City shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the non-resident property owner. The last known address shall be that address listed on the current tax rolls at the time such required notice was first published.

(Ref. Neb. Rev. Stat. §17-522, 17-523)

SECTION 5-303: REPAIRING SIDEWALK; NOTICE

Whenever the City Council or committee on streets and walks or the street superintendent shall deem it necessary that any sidewalk shall be repaired, the owner of the lot or piece of land along and contiguous to which such sidewalk is situated shall be notified to repair the same within 20 days from and after the giving of such notice. Oral notice to the owner shall be deemed sufficient. If the owner is not found by the street superintendent, then a written notice left in the house situated on such lot or piece of ground or posted upon said premises shall be sufficient, and the 20 days shall begin to run from the leaving or posting of such notice, as the case may be.

SECTION 5-304: RECONSTRUCTING SIDEWALKS; NOTICE

Whenever the City Council shall deem it necessary that an old sidewalk shall be replaced or reconstructed, it shall order the same to be done and the street superintendent shall give notice in the manner and form provided in Section 5-303 of this article to replace or reconstruct the same within 20 days from and after such notice.

SECTION 5-305: FAILURE TO CONSTRUCT, RECONSTRUCT OR REPAIR

After notice has been given as provided in this article, if any such owner shall neglect or refuse or shall have failed to construct, repair, replace or reconstruct any sidewalk within the time limit in the notice given in such case and whose duty it is made by this article to construct, repair or rebuild such walks, the street superintendent or other officer empowered herein to act shall proceed at once without further notice to such owner or person to have such sidewalks constructed, repaired, rebuilt or reconstructed, as the case may be, and the expense of such work shall be assessed to such lot or piece of land and collected as provided by law.

SECTION 5-306: CONSTRUCTION BY PETITION

If the owners of the record titles representing more than 60% of the front footage of the directly abutting property subject to assessment for sidewalk improvements petition the City Council to make the same, the City Council shall proceed in all things as though such construction had been ordered by it. Upon the petition of any freeholder who is an abutting owner in fee simple of property subject to assessment for sidewalk improvements, the City Council may order permanent sidewalks built in accordance with this article upon the freeholder making, executing and delivering to the City an agreement to the effect that (1) the petitioning freeholder will pay the engineering service fee; and all other incidental construction costs until paid shall be a perpetual lien upon the real estate along which the freeholder desires such sidewalk to be constructed; and (2) the petitioner gives

and grants to the City the right to assess and levy the costs of such construction against the freeholder's real estate abutting the sidewalk improvement and promises to pay such costs with interest.

The total cost of such improvement shall be levied, allocated, financed and specially assessed as provided by law. In the event the property owner is a non-resident of the county in which the property lies, the City shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested, to the last known address of the non-resident property owner. The last known address shall be that address listed on the current tax rolls at the time such required notice was first published.

SECTION 5-307: CONSTRUCTION BY OWNER

Any person desiring to construct, or cause to be constructed, any sidewalk shall do so only as herein provided. It shall be unlawful for any person to construct any sidewalk without first having obtained a permit. Said owner shall make application in writing for a permit and file such application in the office of the city clerk. The permit shall give a description of the lot or piece of land along which the sidewalk is to be constructed. The utilities superintendent shall issue the desired permit unless good cause shall appear why said permit should be denied; provided, if it is desired to construct the sidewalk at any other than the regularly prescribed location, grade or elevation, the street superintendent shall submit the application to the City Council, which shall determine whether the permit should be granted or denied. It shall be unlawful for any person to construct, or cause to be constructed, said sidewalk at any other location, grade or elevation than so designated by the City. All sidewalks shall be built and constructed on the established grade or elevation, and if there is no established grade, then on the grade or elevation indicated by the street superintendent.

SECTION 5-308: DUTY TO REMOVE SNOW, SLEET AND ICE; PENALTY

1. *Definitions:* (A) "Occupant" includes the person(s) actually occupying the lot, land or real estate, whether tenant, lessee or owner. (B) "Owner" includes the person(s) holding the legal title to the lot, land or real estate.

2. *Removal Required.* It shall be the duty of the occupant, as well as the owner, of any lot, land or real estate in the City to clear all ice and snow from the sidewalks adjoining the lot, land or real estate within 24 hours after the cessation of any storm or fall of snow. It shall be unlawful to place snow and ice on any alley or street from private sidewalks, driveways, parking lots, roofs or other private property.

3. *Removal by City.* If any sidewalk in front of any lot, land or real estate within the City shall not be cleared of ice or snow by the occupant or owner as

required by this section, the designee of the City Council may cause the sidewalk to be cleared immediately, and shall thereafter report the cost and expense to the City Council. The City Council shall then levy a special tax on the lot or land which is sufficient to pay the costs and expenses of removal of ice or snow. The special tax shall be due and payable at the date of the levy and shall become delinquent 50 days after the date of the levy, and from and after becoming delinquent shall bear interest at the rate of 1% per month until paid. The special tax shall be collected in the same manner as for other special assessments if payment is not made before the special tax becomes delinquent.

4. *Injuries to Persons or Property.* If any person is injured in body or property because of neglect, failure or refusal of any occupant or owner to clear the sidewalks abutting the premises of snow or ice, the owner shall be liable to the City for any amount of damages and costs recovered by the injured party against the City, and the City may sue and recover the same at law.

SECTION 5-309: DUTY TO REMOVE BRANCHES AND SHRUBBERY ENCROACHING THEREON; PENALTY

It shall be the duty of the occupant of each lot or parcel of ground in said city to keep the sidewalk adjacent thereto free from overhanging branches and free from limbs to a height of 8 feet and to keep such sidewalk free from encroaching hedges or shrubbery; and no tree, shrubbery or hedge shall be permitted closer than 18 inches to the sidewalk. It shall be the duty of the occupant of each lot or parcel of ground abutting on any intersection to trim and or remove any shrubbery, sign or other obstacle which obstructs the view for a distance of ten feet from such intersection. It shall be unlawful to discharge to any natural outlet within the City or within one mile of the corporate limits thereof, or in any area under the jurisdiction of said city, any sewage or other polluted waters, except where suitable treatment has been provided in accordance with subsequent provisions of this article.

INTENTIONALLY LEFT BLANK

SECTION 6-204: CESSPOOLS, PRIVIES AND SEPTIC TANKS PROHIBITED

Except as hereinafter provided, it shall be unlawful to construct or maintain any privy, privy vault, septic tank, cesspool or other facility intended or used for the disposal of sewage.

SECTION 6-205: MANDATORY HOOKUP

The owner of all houses, buildings or properties used for human employment, recreation or other purposes situated within the City and abutting on any street, alley or right-of-way in which there is now located or may be located a public sanitary or combined sewer of the City is hereby required at his/her expense to install suitable toilet facilities therein and to connect such facilities directly within ten days after date of official notice to do so; provided that said public sewer is within 200 feet of the property line.

SECTION 6-206: PRIVATE SEWAGE DISPOSAL; WHEN APPLICABLE

Where a public sanitary or combined sewer is not available under the provisions of Section 6-208, the building sewer shall be connected to a private sewage disposal system complying with the provisions of this article.

At such time as a public sewer becomes available to a property served by a private wastewater disposal system, as provided in Section 6-205, a direct connection shall be made to the public sewer within 180 days in compliance with this article, and any septic tanks, cesspools and similar private wastewater disposal facilities shall be cleaned of sludge and filled with suitable material.

SECTION 6-207: PRIVATE SEWAGE DISPOSAL SYSTEM; PERMIT AND FEE REQUIRED

Before commencement of construction of a private sewage disposal system, the owner shall first obtain a written permit signed by the utilities superintendent. The application for such permit shall be made on a form furnished by the City, which the applicant shall supplement by any plans, specifications and other information as deemed necessary by the utilities superintendent. In addition, the City shall be entitled to establish, charge and collect a reasonable fee for the permit and inspection required herein. The fee shall be set from time to time by resolution of the City Council and shall be paid to the City at the time the application is filed.

SECTION 6-208: PRIVATE SEWAGE DISPOSAL SYSTEM; PERMIT, WHEN EFFECTIVE; INSPECTIONS

A permit for a private sewage disposal system shall not become effective until the installation is completed to the satisfaction of the city official in charge of the

sewer system. He/she shall be allowed to inspect the work at any stage of construction and, in any event, the applicant for the permit shall notify the city clerk when the work is ready for final inspection and before any underground portions are covered.

Upon approval of an application for a sewer tap, the City shall be responsible for tapping into the municipal main at a location chosen by the City. The customer shall be responsible for the installation of the sewer line from the municipal main to the premises to be served. The City shall install all municipal mains.

In making excavations in streets, alleys or sidewalks for the purpose of installing pipe or making repairs, the paving, stones and earth must be removed and deposited in a manner that will occasion the least inconvenience to the public and provide for adequate drainage. No person shall leave an excavation made in the street, alley or sidewalk open at any time without a barricade. After service pipes are laid, the streets, alleys and sidewalks shall be restored to good condition. If the excavation in any street, alley or sidewalk is left open or unfinished for a period of 24 hours or more, the utilities superintendent shall have the duty to finish or correct the work and all expenses so incurred shall be charged to the consumer.

All installations or repairs of pipes require two inspections by the utilities superintendent. The first inspection shall be made when connections or repairs are completed and before the pipes are covered. The second inspection shall be made after the dirt work is completed and the service is restored. It is the consumer's responsibility to notify the utilities superintendent at the time the work is ready for each inspection. All installation shall be done under the supervision

and strictly in accordance with the rules, regulations and specifications prescribed by the utilities superintendent; provided that said rules, regulations and specifications have been reviewed and approved by the City Council.

SECTION 6-212: SANITARY SEWER CONNECTION FEES

1. Before any permit shall be issued under the provisions of this article, the applicant therefore shall pay the following appropriate fees:

LAND USE	2016	2017	2018	2019 and Thereafter

The rates in each column apply between January 1 and December 31 of the respective years, except that the rates shown in the "2019 and Thereafter" column will remain in effect until such time as the fees are amended by the City. The date to be used for the calculation of sewer connection fees will be the date of initial application for a building permit.
3. Pursuant to a 2002 Agreement For Wastewater Service with the City of Omaha, the City is required to collect Omaha's current sewer connection fees and forward such to Omaha, and the foregoing incorporate Omaha's current sewer connection fees.

For subdivisions and areas previously platted and where the subdivider and/or the sanitary and improvement district paid the sewer connection fees in advance, but only in the amount of Omaha's sewer connection fees applicable at the time of platting, and without paying the City's sewer connection fee amounts which were in excess of Omaha's, the amount to be paid will just be that portion of the City's sewer connection fee which are in excess of Omaha's.

SECTION 6-213: INSTALLATION; PERMIT REQUIRED

Any person wishing to connect with the sewer system shall make an application in writing to the city clerk. There shall be two classes of building sewer permits: (1) residential and commercial service, and (2) for service to establishments producing industrial wastes. The application shall be made on a special form furnished by the City and shall be supplemented by any plans, specifications or other information considered pertinent in the judgment of

the city supervisor. A permit and inspection fee in the amount of \$100.00 shall be paid to the City at the time the application is filed. Sewer service may not be supplied to any house or building except upon the order of the utilities superintendent and upon application and acceptance of city water service.

SECTION 6-214: PREMISES WHERE NO PRIVATE SEWER AVAILABLE

A separate and independent building sewer shall be provided for every building except where one building stands at the rear of another on an interior lot and no private sewer is available or can be constructed to the rear building through an adjoining alley, court, yard, or driveway. The sewer line from the front building may be extended to the rear building and the whole considered as one building sewer, but the City does not and will not assume any obligation or responsibility for damage caused by or resulting from any such single connection.

SECTION 6-215: USE OF EXISTING SEWERS

Old building sewers may be used in connection with new buildings only when they are found, on examination and testing by the utilities superintendent, to meet all requirements of this article.

SECTION 6-216: CONSTRUCTION CODES

The size, slope, alignment, materials of construction of a building sewer and the methods to be used in excavating, placing of the pipe, jointing, testing and back-filling the trench shall all conform to the requirements of the building and plumbing code or other applicable rules and regulations of the City. In the absence of code provisions or in amplification thereof, the materials and procedures set forth in appropriate specifications of the A.S.T.M. and W.P.C.F. Manual of Practice No. 9 shall apply.

Whenever possible, the sewer shall be brought to the building at an elevation below the basement floor. In all buildings in which any building drain is too low to permit gravity flow to the public sewer, sanitary sewage carried by such building drain shall be lifted by an approved means and discharged to the building sewer.

The connection of the building sewer into the public sewer shall conform to the requirements of the building and plumbing code or other applicable rules and regulations of the City or the procedures set forth in appropriate specifications of the A.S.T.M. and the W.P.C.F. Manual of Practice No. 9. All such connections shall be made gastight and watertight and verified by proper testing. Any deviation from the prescribed procedures and materials must be approved by the utilities superintendent before installation.

SECTION 6-217: PROHIBITED DISCHARGES

No person shall discharge or cause to be discharged any storm water, surface water, groundwater, roof runoff or subsurface drainage, including interior and exterior foundation drains, uncontaminated heating or cooling water or unpolluted industrial waters to any sanitary sewer.

Stormwater and all other unpolluted drainage shall be discharged to such sewers as are specifically designated as storm sewers, or to a natural outlet approved by the utilities superintendent. Industrial cooling water or unpolluted process water may be discharged to a storm sewer or natural outlet on approval of the utilities superintendent.

SECTION 6-218: HAZARDOUS AND PROHIBITED DISCHARGES; FLAMMABLE, TOXIC, CORROSIVE AND OBSTRUCTIVE SUBSTANCES; PRELIMINARY TREATMENT

No person shall discharge or cause to be discharged any of the following described waters or wastes into any public sewers:

1. Any gasoline, benzene, naphtha, fuel oil or other flammable or explosive liquid, solid or gas.
2. Any waters or wastes containing toxic or poisonous solids, liquids or gases in sufficient quantity, either singly or by interaction with other wastes, which injure or interfere with any waste treatment process, constitute a hazard to humans or animals, create a public nuisance or create any hazard in the receiving waters of the wastewater treatment plant, including but not limited to cyanides in excess of 2 mg/l as CN in the wastes as discharged to the public sewer.
3. Any waters or wastes having a pH lower than 5.5, or having any other corrosive property capable of causing damage or hazard to structures, equipment and personnel of the sewage works.
4. Solid or viscous substances in quantities or of such size capable of causing obstruction to the flow in sewers or other interference with the proper operation of the sewage facilities such as, but not limited to, ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, underground garbage, whole blood, paunch manure, hair and fleshings, entrails and

paper dishes, cups, milk containers, etc., either whole or ground by garbage grinders.

5. Any waters or wastes having (A) a five-day BOD greater than 300 parts per million by weight, or (B) containing more than 350 parts per million by weight of suspended solids, or (C) having an average daily flow greater than 2% of the average sewage flow of the City, shall be subject to the review of the utilities superintendent. Where necessary in the opinion of the utilities superintendent, the owner shall provide, at his/her expense, such preliminary treatment as may be necessary to (A) reduce the biochemical oxygen demand to 300 parts per million by weight, or (B) reduce the suspended solids to 350 parts per million by weight, or (C) control the quantities and rates of discharge of such waters or wastes. Plans, specifications, and other pertinent information relating to proposed preliminary treatment facilities shall be submitted for the approval of the utilities superintendent and no construction of such facilities shall be commenced until said approval are obtained in writing.

SECTION 6-219: HAZARDOUS AND PROHIBITED DISCHARGES; SPECIFIC PROHIBITIONS

No person shall discharge or cause to be discharged the following-described substances, materials, waters or wastes if it appears likely in the opinion of the utilities superintendent that such wastes can harm either the sewers, sewage treatment process or equipment, have an adverse effect on the receiving stream or can otherwise endanger life, limb or public property or constitute a nuisance. In forming his/her opinion as to the acceptability of these wastes, the utilities superintendent will give consideration to such factors as the quantities of subject wastes in relation to flows and velocities in the sewers, materials of construction of the sewers, nature of the sewage treatment process, capacity of the sewage treatment plant and other pertinent factors. The substances prohibited are:

1. Any liquid or vapor having a temperature higher than 150° Fahrenheit (65° C).
2. Any water or waste containing fats, wax, grease or oils, whether emulsified or not, in excess of 100 mg/l or containing substances which may solidify or become viscous at temperatures between 32° and 150° Fahrenheit (0° and 65° C).
3. Any garbage that has not been properly shredded. The installation and operation of any garbage grinder equipped with a motor 3/4 horsepower or greater shall be subject to the review and approval of the utilities superintendent.
4. Any waters or wastes containing strong acid iron pickling wastes or concentrated plating solutions, whether neutralized or not.

(This page intentionally left blank.)

5. Any water or wastes containing iron, chromium, copper, zinc and similar objectionable or toxic substances; or wastes exerting an excessive chlorine requirement to such degree that any such material received in the composite sewage at the sewage treatment works exceeds the limits established by the utilities superintendent for such materials.

6. Any waters or wastes containing phenols or other taste- or odor-producing substances in such concentrations exceeding limits which may be established by the utilities superintendent as necessary, after treatment of the composite sewage to meet the requirements of state, federal or other public agencies of jurisdiction for such discharge to the receiving waters.

7. Any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established by the utilities superintendent in compliance with applicable state or federal regulations.

8. Any waters or wastes having a pH in excess of 9.5.

9. Materials which exert or cause:

A. Unusual concentrations of inert suspended solids such as, but not limited to, Fuller's earth, lime slurries and lime residues, or of dissolved solids such as, but not limited to, sodium chloride or sodium sulfate.

B. Excessive discoloration such as, but not limited to, dye wastes and vegetable tanning solutions.

C. Unusual BOD, chemical oxygen demand or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works.

D. Unusual volume of flow or concentration of wastes constituting "slugs" as defined herein.

10. Waters or wastes containing substances which are not amenable to treatment or reduction by the sewage treatment processes employed, or are amenable to treatment only to such degree that the sewage treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

SECTION 6-220: PROHIBITED DISCHARGES; UTILITIES SUPERINTENDENT'S DISCRETION

If any waters or wastes are discharged or are proposed to be discharged to the public sewers which contain the substances or possess the characteristics enu-

merated in Section 6-219, and which in the judgment of the utilities superintendent may have a deleterious effect upon the sewage works, processes, equipment or receiving waters or which otherwise create a hazard to life to constitute a public nuisance, the utilities superintendent may:

1. Reject the wastes;
2. Require pretreatment to an acceptable condition for discharge to the public sewers;
3. Require control over the quantities and rates of discharge; and/or
4. Require payment to cover the added cost of handling and treating the wastes not covered by existing taxes or sewer charges under the provisions of Section 6-225.

If the utilities superintendent permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the utilities superintendent and subject to the requirements of all applicable codes, ordinances and laws.

SECTION 6-221: GREASE, OIL AND SAND INTERCEPTORS; WHEN REQUIRED

Grease, oil and sand interceptors shall be provided when in the opinion of the utilities superintendent they are necessary for the proper handling of liquid wastes containing grease in excessive amounts, or any flammable wastes, sand, or other harmful ingredients; except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the utilities superintendent and shall be located as to be readily and easily accessible for cleaning and inspection.

SECTION 6-222: PRELIMINARY TREATMENT OR FLOW EQUALIZING FACILITIES; MAINTENANCE BY OWNER

In the event no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected. Sampling

shall be carried out by customarily accepted methods to reflect the effect of constituents upon the sewage works and to determine the existence of hazards to life, limb and property. (The particular analyses involved will determine whether a 24-hour composite of all outfalls of a premises is appropriate or whether a grab sample or samples should be taken.
